PROFESSIONAL EXPERIENCE

Yandex ⌘   07/2023 – 11/2025
Senior Android Developer   2 years 4 months
https://play.google.com/store/apps/details?id=ru.yandex.music ⌘

- **Led a cross-platform team** (frontend, backend, iOS, Android) to deliver the "Trailers" feature, which boosted user interactions by **1.5×** and increased overall engagement.
- **Redesigned the app's main page**, reducing load time by **~43%** and enabling content updates without requiring new app releases.
- **Directed development of the "Year in Review" feature**, one of the most anticipated releases, leading to a **29% increase in session duration** and stronger user retention.
- **Refactored and stabilized UI tests**, cutting release build time and accelerating time-to-market for new features by **~30%**.

Okko ⌘   05/2020 – 07/2023
Android developer   3 years 2 months
https://play.google.com/store/apps/details?id=ru.more.play ⌘

- **Implemented Google Pay integration**, enabling seamless purchases via Google Play and increasing mobile transaction volume by **~32%**.
- **Redesigned the catalog feature** with a focus on paid films, which boosted sales conversions by **~17%** and increased ARPU.
- **Developed a new video SDK and rewrote the main app player**, reducing playback errors on Android TV and mobile by **3×**, which significantly improved user satisfaction and lowered support requests.

Author ⌘   09/2018 – 04/2020
Android developer   1 year 7 months
https://play.google.com/store/apps/details?id=com.dma.author.connect ⌘

- **Integrated Google Maps support**, enhancing navigation features and increasing user engagement with location-based functionality by **~26%**.
- **Built a CI/CD pipeline for automatic release builds**, cutting delivery time from **1 working day** to just **2 hours**, enabling new app versions to appear on **Google Play much faster**.
- **Pioneered automated testing** (UI and unit tests), cutting manual regression testing time by **~78%** and raising crash-free rate to **~99% of users**.

EDUCATION

Mobile Robots Development, Specialist Diploma (equivalent to Master's degree)   2011 – 2017
Bauman Moscow State Technical University 🔗   Moscow

PUBLIC SPEAKING

Delivered live lectures on databases and persistence in Android on YouTube (July 2024 🔗 , June 2025 🔗),
participated in mock interviews 🔗 and contributed to professional events.

ORGANISATIONS

Nochlezhka 🔗
Volunteer Developer
Developed a Telegram bot to coordinate volunteers, using Java 17, Yandex Cloud, Google Cloud Console, Google
Auth, and Sheets API, streamlining volunteer management.
